## Welcome to the world of machine-made carpets!

Jasper's 700-reed carpet is one of our best products, boasting premium-grade quality (+A). This carpet, with 700 reeds and a density of 2550, is made from 100% acrylic pile yarn. The weaving of this carpet is done using the HCP X2 machine, and the pile height is approximately  $10 \pm 2$  millimeters. Jasper's 700-reed carpet, available in a variety of designs and colors, is the best option for those looking for a high-quality and stylish carpet for their home. With a combination of acrylic pile yarn and precise weaving using the HCP X2 machine, this beautiful and durable carpet will be an excellent choice for your home decor.

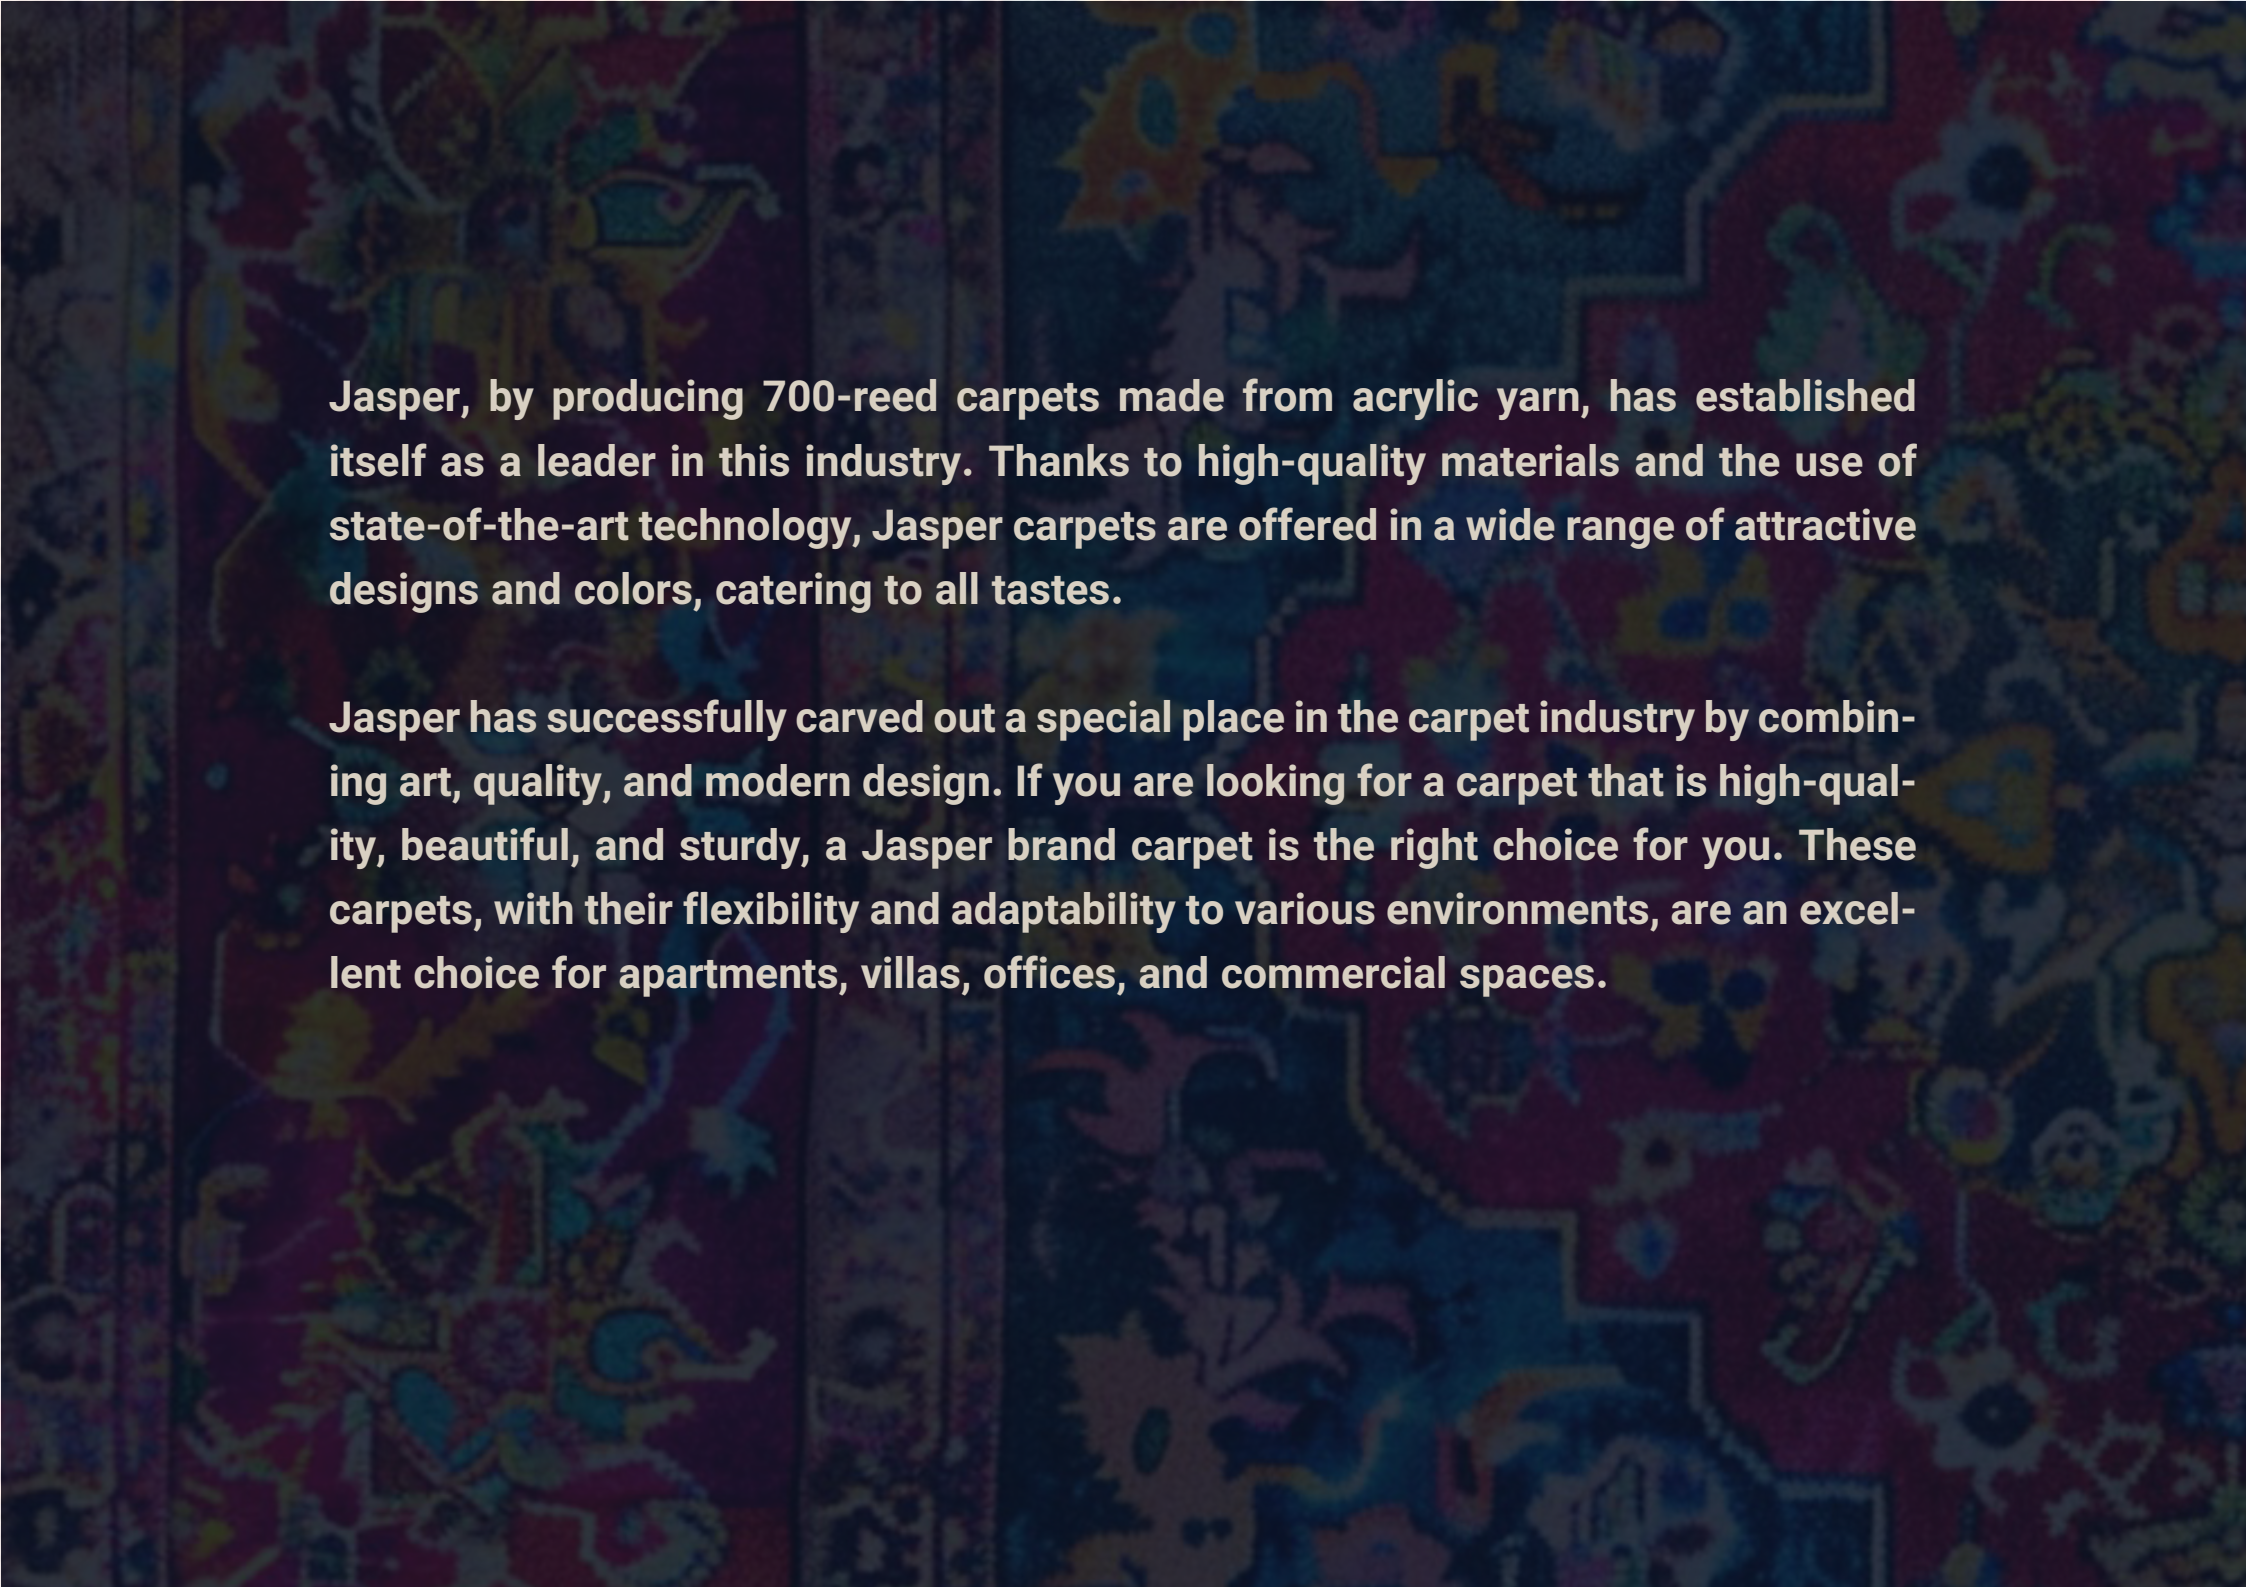

The Jasper brand is one of the most recognized names in the carpet industry, renowned for its unique designs and high-quality products. This brand typically focuses on producing machine-made carpets and strives to showcase a blend of traditional art and modern technology in its products. The quality of Jasper's products is one of the brand's strengths; therefore, the use of high-quality raw materials and attention to detail in the manufacturing process ensures that Jasper carpets are durable and long-lasting. Jasper's designs are often inspired by various cultures and nature, and the brand endeavors to meet the diverse needs of its customers by offering a wide variety of designs. The reputable Jasper collection places a high value on after-sales services and customer satisfaction, with the brand's support team always ready to answer questions and offer advice to valued customers.

**Jasper, by producing 700-reed carpets made from acrylic yarn, has established itself as a leader in this industry. Thanks to high-quality materials and the use of state-of-the-art technology, Jasper carpets are offered in a wide range of attractive designs and colors, catering to all tastes.**

**Jasper has successfully carved out a special place in the carpet industry by combining art, quality, and modern design. If you are looking for a carpet that is high-quality, beautiful, and sturdy, a Jasper brand carpet is the right choice for you. These carpets, with their flexibility and adaptability to various environments, are an excellent choice for apartments, villas, offices, and commercial spaces.**

**A 700-reed carpet made from heat-set acrylic yarn is an excellent choice for decorating your home. This type of yarn is very light and suitable for weaving higher-quality and more durable carpets. Additionally, acrylic fibers have high dye absorption and are also hypoallergenic.**

**One of the unique features of Jasper carpets is their high strength and durability. The use of acrylic yarn makes these carpets resistant to wear and washing, extending their lifespan. Moreover, their attractive designs and colors create a beautiful and pleasant atmosphere in any space.**
